

Safety Health & Environment

AGS-SHE-F-255

AGS Growers\Contractor Induction for Receivals

During your visit to site it is important that AGS staff, Growers and Contractors work in partnership to promote a healthy and safe working environment. AGS must ensure that individuals are not exposed to risks to their health or safety during the harvest period.

Please ensure the following conditions are followed while on AGS sites:

1. In an emergency all AGS staff, Growers and Contractors must assemble at the weighbridge.
2. All incidents, accidents, near misses or property damage on AGS sites must be reported to the weighbridge clerk regardless of severity.
3. Site speed limit is 10km per hour unless otherwise signposted.
4. Growers/Contractors must follow all directions from AGS staff.
5. Growers/Contractors must ensure they follow all site requirements. As a minimum, Hi Visibility Vest or Shirt and fully enclosed footwear are to be worn on all AGS sites.
6. All Growers/Contractors must comply by the Alcohol and Other Drugs policy while on AGS sites and be fit for the task.
7. Growers/Contractors are responsible for opening grain doors and operation of their vehicle while on AGS sites.
8. Eating and Drinking are only allowed in designated areas (including the truck cabin). Request designated area information from the site supervisor if required.
9. Smoking is allowed only in designated areas. Request this information from the site supervisor if required. Deniliquin and Coleambally sites are SMOKE FREE sites.
10. Growers/Contractors are NOT to work at heights on AGS sites. This includes, but is not limited to climbing on the back of trucks to either remove or replace tarps.
11. Good Manufacturing guidelines must be adhered to including no glass containers to be brought on site; disposal of rubbish in bins and no jewellery to be worn with exception of a plain wedding band without stones and a plain watch with no stones.
