

Safety Health & Environment

AGS Growers\Contractor Induction for Receivals

AGS-WI-SHEQ-0255

During your visit to site it is important that AGS staff, Growers and Contractors work in partnership to promote a healthy and safe working environment. AGS must ensure that individuals are not exposed to risks to their health or safety during the harvest period.

Please ensure the following conditions are followed while on AGS sites:

1. Growers \ Contractors must ensure they follow all site requirements. Hi Visibility Vest or Shirt and fully enclosed footwear are to be worn on all AGS sites.
2. In an emergency all AGS staff \ Growers and Contractor must assemble at the weighbridge in the Emergency Evacuation Area.
3. All incidents, accidents, near misses or property damage on AGS sites must be reported to the weighbridge clerk regardless of severity.
4. All children under 16 years old must remain the vehicle at all times.
5. First Aid facilities are available at the weighbridge on all AGS sites, along with a list of qualified First Aiders.
6. Site speed limit is 10km.
7. Growers \ Contractors must follow all directions given by AGS staff.
8. All Growers \ Contractors must comply with the Alcohol and Other Drugs policy while on AGS sites and be fit for the task and may be subjected to testing while on AGS sites.
9. All Growers \ Contractors must remain with their vehicles while on AGS sites.
10. Growers \ Contractors must **NOT** enter pit areas unless authorised by the Pit Attendant, for the unloading process. Please do not enter these areas unless you are the unloading driver and under Pit Attendant direction.
11. Passengers regardless of age **MUST** remain in the truck during the unloading process.
12. Growers \ Contractor are responsible for opening grain doors and operation of their vehicle while on AGS sites.
13. When emptying the truck it must be tipped in a manner that limits the risk of uneven flow which could lead to an unstable load. The risk of this occurring increases with high moisture and high trash levels or in bins/trailers that are rusty and rarely used, this can be exacerbated in combination trailers.
14. Eating and Drinking are only allowed in designated areas, request this information from the site supervisor.
15. Smoking is **ONLY** allowed in designated areas; request this information from the site supervisor. **Deniliquin and Coleambally sites are SMOKE FREE sites.**
16. Grower \ Contractors are **NOT** to work at heights on AGS sites. This includes activities; but not limited to climbing on back of trucks to either remove or replace tarps.
17. Good Manufacturing guidelines must be adhered to including no glass container to be brought on site, disposal of rubbish in bins, and no jewellery to be worn with exception of a plain wedding band without stones and a plain watch with no stones.

ACCEPTANCE OF GROWER \ CONTRACTOR INDUCTION

I have read and understand these instructions

Name: _____ Signature: _____

Delivery Name \ Company: _____

Date: _____

Copy of signed induction to be maintained at the AGS weighbridge
