

# GrowRice

## Early offer - funding for carryover water

Crop Year 22

## What is GrowRice?

[More details here](#)

**GrowRice is typically available from 1 July to fund rice crop inputs (including water) for Growers who sign a contract with SunRice to grow rice in the relevant Crop Year.**

## What is the early offer?

[More details here](#)

**Growers who hold General Security (GS) water licences with the irrigation companies can access GrowRice prior to 1 July to fund the purchase of carryover water into C22. For growers who hold GS Water Access Licences with Murray Irrigation Limited, Murrumbidgee Irrigation and Coleambally Irrigation Co-operative Limited, and who have sufficient capacity to carry over water on their accounts, GrowRice is now available prior to 1 July to fund the purchase of carryover water.**
